10:30 open forum & guided meditation

Come join us as we explore the infinite potential of the Fool on this April Fools' Day. An Open Forum affords the opportunity to interact with others who share the same spiritual teachings and practices, fostering the development of consciousness as set forth in the BOTA. curriculum.

The Open Forum aims to cultivate a group of like-minded aspirants encouraging each other with Fraternal Love and Harmony, to share the principles learned from the Ageless Wisdom.

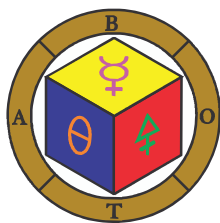

The guided meditation is one of a series by Ann Davies, who was one of the founders of BOTA.

1:00 VIBRATORY attunement ritual a healing ritual of color and sound

The Vibratory Attunement Ritual is a beautiful ritual of healing and transmutation — building patterns of harmony through ancient vibratory formulae of color and sound. It is a guided and active meditation; an acknowledgment of all the forces that abound in the universe for the sole purpose of the healing of nations.

If you are interested in participating in the BOTA Cambridge Open Forums, or need information about the Vibratory Attunement, **please contact: Tom** at: fratertom.lvx@gmail.com or **Lynne** at: lynnerudiedesign@gmail.com
